

A modern outdoor hot tub is the central focus, situated on a light-colored stone patio. The hot tub has a dark, rectangular base and a lighter, curved top section with several jets. It is positioned under a large, modern pergola with a white, curved canopy and dark metal framing. The background features a wooden building with a large glass window reflecting the hot tub, and a lush garden with trees and shrubs. The sky is a mix of blue and orange, suggesting a sunset or sunrise.
